

SOAP FOR JESUS

Michael was very excited when Dr. Simone presented him with a box of Muslix cereal. He is proudly holding it like trophy. Micheal has soft bones that have resulted in bowed legs. He has what we call rickets. He has painful muscle spasms. As a result of this condition children suffer from decreased intellectual curiosity because it is painful for them to move and look around, exploring their environment. Rickets is totally preventable and, in most cases, can be cured with a healthy diet. CFFC sends Michael powdered eggs, beans, breakfast bars and clothing. Dr Simone told Michael's mom to make sure he gets plenty of sunshine, vitamin D. Can you help us to support Michael? We are always collecting nonperishable food, used clothing, shoes, and soap at the CFFC warehouse. God has blessed us with so many gifts.

This Thanksgiving please remember Michael and the starving children that need our help. God Bless you.

Brian Finamore, Chaplain

Please don't forget that we are always collecting soap. All types of soap are needed by the poor.
